

## **LIST OF PUBLICATIONS IN CHRONOLOGICAL ORDER**

**W.K.AL-MURRANI**

**Prof. of Genetics & Biostatistics**

**(BVM & S., PhD. Edinburgh)**

### **\* Published in English**

1. Limits to artificial selection. W.K.Al-Murrani, A.B. A. 42:587-592(1974).\*
2. Genetic Variation in a line of mice selected to its limit for high body weight. W.K.Al-Murrani & R.C.Roberts, British J. for Animal Prod. 19:273-289 (1974).\*
3. Some studies on vegetable matter and chemical properties of Iraqi wool. W.K.Al-Murrani, Iraqi J. Agric. Sci., Vol. (10), (1975).\*
4. A study on carcass characteristics of two Jenubi crosses. F.I. Dessouky, W. K. Al-Murrani, A. Y. Lotfi, S N. Singh, M. H. Al-Salman. Technical Rep. No. 13, FAO (1976).\*
5. A Preliminary study on Charolais X Jenubi crosses W.K. Al-Murrani, F.I. Dessouky, M. M. Hussain, S.M. Kassir, Iraqi J. Agric Sci., Vol. XXI: 3-11 (1976).\*
6. Incidence of Coliform bacteria in milk and products Baghdad area. A. M. Ashmawy , A.Y. Lotfi, A. M. Abdul Karim, W. K. Al-Murrani. The Iraqi J. Vet. Med., Vol. 1 (1977).
7. Maternal effects on embryonic and post- embryonic growth in poultry. W. K. Al- Murrani, British Poultry Science. 19: 277-281 (1978).\*
8. Some etiological aspects of peptic ulcer in Iraqi population. I. Bahraini, Z. Bahraini, W. K. Al-Murrani, J. Fac. Med., Baghdad, Vol. 20,No. 1:30-37 (1978).\*
9. Smoking behavior among medical students in the University of Baghdad. T. Al-Saleem, G. Botrous , W. K. Al-Murrani, J. Fac. Med., Baghdad, Vol. 20, No. 1:4-8 (1978).\*
10. Twinning in Iraqi population and the significance of a family with high twinning rate. W. K. Al-Murrani, Iraqi Med. J., Vol. 26, No. 1 & 2 (1978).\*
11. The effect of inbreeding on male fertility in mice. W. K. Al-Murrani & H. Al-Sam. 14<sup>th</sup> Internat. Cong. of Genetics, Moscow (1978).\*
12. The performance of Imported, Iraqi born and crossbred Friesian on a state farm in Baghdad. W. K. Al-Murrani, 14 Internal. Cong. on Genetics, Moscow (1978); Iraqi J. Vet. Med. Vol. 4: 25-37 (1980).\*
13. Maternal effect on body weight in mice selected for Large and Small sizes. W.K. Al-Murrani & R.C. Roberts. Genetical Research, 32: (1978).\*
14. Some observations on the breeding season of Awassi breed in Iraq .R. M. Al-Wahab, W. K. Al-Murrani & J.E. Al-Kass. World Review of Animal Production, Vol. XVIII, No. 3: 57-63 (1982).\*
15. Incidence of bovine Cysticercosis in Iraq and its impact on meat borne helmenthic zoo noses. A. Y. Lotfi, W.K. Al-Murrani, A. M. Al-Ashmawy. Iraqi Med . J. No. 2 &, Vol. 24: 56-59 (1976).
16. Association between Potassium and Hemoglobin type with production and reproduction in Iraqi Awassi sheep. W. K. Al-Murrani & S.H. Al-Samarraee. Proc. of the World Cong.on Sheep and Beef Cattle Breeding. Vol. 1:449-454 (1982).\*

17. **Animal Management (textbook in Arabic).**W. K. Al-Murrani, A.K.A. Abdul Karim, R.M. Al-Wahab (1980). (In Arabic) Pub. University of Baghdad.
18. **Introduction to Quantitative Genetics.** Translated from D. S. Falconer (Introduction to Quantitative Genetics). W. K. Al-Murrani (1981). (In Arabic) Pub. University of Baghdad.
19. **Some fertility aspects of Arabian horses in Iraq.** W.K. Al-Murrani & A. J. Rashid. 2<sup>nd</sup> World Cong.on Genetics applied to livestock production. Madrid, Spain (1982):543-551.\*
20. **Effect of Injecting Amino Acids into the Egg on Embryonic and Subsequent Growth in the Domestic Fowl.** W. K. Al-Murrani. British Poultry Sci., 23: 171-174 (1982).\*
21. **The Arabic Agric. Dictionary (16 volumes, in Arabic, English and French).** Published by AOAD Khartoum. Al-Murrani, W. K. (Team leader – 1982- 1988).\*
22. **Principles of Statistics.** Al-Mohammed N. T. A. Younis, W. K. Al-Murrani. Baghdad University Press (1986) (in Arabic).
23. **A comprehensive study on cattle breeds in the Arab World and prospects of Improvement (1983).** Al-Murrani, W. K. (Joint author). Published by AOAD Khartoum.
24. **Cattle Breeding Policy in Somalia.** Published by AOAD (in English). Al-Murrani, W. K. (joint author) (1984).\*
25. **Genetics of Disease Resistance in Poultry.** W. K. Al-Murrani, J. Agric. & Development in the Arab World. Vol. 2, part (1983).
26. **Genetics of Some Infertility Problems in Dairy Cattle.** W. K. Al-Murrani, J. Agric. & Dev. In the Arab World, Vol. 3, part 1 (1984).
27. **Dairy Cattle Structure and Prospects of Improvement in Morocco.** W.K. Al-Murrani J. Agric & Dev. In the Arab world. Vol. 2, part 4 (1984).
28. **Sheep Production Program for Farmer Cooperatives.** W. K. Al-Murrani, J. Agric. & Dev. In the Arab World. Vol. 3, part 3 (1984).
29. **Prospects of Sheep and Goat Improvement in the Arab World.** W. K. Al-Murrani. Inter. Cong. of Animal Prod. In Arid Zones, Syria, 1985. J. Agric & Dev. In the Arab World, Vol. 5 part 6 (1985).
30. **Economic and Feasibility Study for Establishing an Integrated project for Dairy Production in Somalia.** W. K. Al-Murrani, J. Agric. & Dev. In the Arab World, Vol. 4, part 2 (1985).
31. **The Economic and Nutritional Values of Animal Production in the Arab World.** W.K. Al-Murrani, J. Agric & Dev. In the Arab World. Vol. 4, part (1985).
32. **The Use of AI in Animal Improvement in the Arab Region.** W.K. Al-Murrani. J. of Agric. & Dev. in the Arab World. Vol. 5, part 2: 54-62 (1986).
33. **Geographical Map of Contagious and Infectious Diseases in the Arab World.** W.K. Al-Murrani, J. Agric & Dev. in the Arab World, Vol. 4, part 3 (1985).
34. **Arab Agriculture Dictionary as Means of Technology Transfer.** W.K. Al-Murrani. Presented in the conference of Arabization in Amman, 1985.
35. **Prospects of Improving Applied Agricultural Research in Iraq.** W.K. Al-Murrani, Proceeding of the Conference on Applied Agric. Research, SRC, Baghdad, 1985.

36. Evaluation of Purebred, Crossbred and Local Cattle in the Arab World. W.K. Al-Murrani, J. Agric. & Dev. in the Arab World, Vol. 4, part 4 (1985).
37. Connecting Higher Studies with National Development Plans. W.K. Al-Murrani, Presented for the 1989 meeting of the Arab University Union, Amman, Jordan.
38. A Study on Utilizing the Experiences of Experts Worked for Regional or International Organizations, W.K. Al-Murrani. Presented to the Ministry of Higher Education Iraq (1989).
39. A Study on Reasons of Failures in Higher Studies in Iraq. W.K. Al-Murrani. Presented to the Ministry of Higher Education, Iraq (1987).
40. An Organizational Structure for Higher Studies in Iraq. W.K. Al-Murrani. Presented to the Ministry of Higher Education, Iraq (1989).
41. The Use of Science and Technology in Developmental Plans. T. Alnaimi, W.K. Al-Murrani. Presented to the Meeting on Science and Development. Sudan (1990).
42. Analyses of Research Plans of 1986-1990 in Baghdad University. W.K. Al-Murrani. Presented to the Ministry of Higher Education, Iraq (1990).
43. Principles of Biopathology (Translation into Arabic- Joint Group efforts), 1991. Pub: University of Baghdad, Iraq.
44. The Inheritance of HB and TF types and its Relation with some Production and Adaptive Traits in Cattle. W.K. Al-Murrani, Y. Al-Timimi. Proc. Of the 4<sup>th</sup> World Cong. on Genetics Applied to Livestock Production, Edinburgh, UK, (1990).\*
45. The Hygienic Properties of Raw Milk produced in Baghdad. A.Hameed, W.K. Al-Murrani (M.Sc. thesis, 1988).
46. Prospects of Developing Camel Production in the Arab Region. W.K. Al-Murrani., Proc. of the 1<sup>st</sup> Iraqi Conference on Camel Production, (1988).
47. Sheep Nutritional Requirements according to Morrison Standards in Iraq. S. Al-Tikriti & W.K. Al-Murrani. The Iraqi J. of Vet. Med, Vol. 12:337-344 (1988).
48. Genetic Resistance of Iraqi Native and White – Leghorn Fowl to Eimeria tenella. W.K. Al-Murrani & S. Al-Dulaimi. IPA J. Agric. Sci. (1996), Vol. 6 No. 1.\*
49. Resistance to Heat Stress in Local Iraqi and Euro bred Hisex- brown Chickens. W.K. Al- Murrani, A. R. Al-Khalidi, M. H. Injidi. IPA J. Agric Research, Vol. 4, No.2 (1994).\*
50. A Suggested Program for Sheep Improvement in Iraq. W.K. Al-Murrani. Presented to the Ministry of Agriculture, Iraq (1990).
51. A Suggested Plan for Improving Dairy Cattle Production in Iraq. W.K. Al-Murrani. Presented to Ministry of Agriculture in Iraq (1990).
52. Strengthening Agriculture Research Management in Iraq. Al-Murrani (team leader). Prepared for AOAD, ISNAR, UNDP (1991) in English.\*
53. Some Aspects of Genetic Resistance to S. typhimurium in Native Iraqi and White-Leghorn Chickens. W.K. Al-Murrani, H. Hameed, Z. G. Abdul Gani, A. H.Omran. Dirasat (Science Part), Vol. 22 No. 2, 1995 (Jordan).\*
54. Animal Production in Arab World and Prospects of Improvement. W.K. Al-Murrani. Proc. of Conference on Red Meat Production. Page: 170-184. The Arab Union of Scientific Research Centers, Jordon (1992).
55. Channeling Higher Studies Research Activities to National Development Plans. W.K. Al-Murrani. Proc. of the Conference on National Research

Management, the Arab Union of Scientific Research Centers, Baghdad: 1-16 (1992).

56. The Heterophil / Lymphocyte Ratio as a Selection Criterion for Heat Resistance in Fowls (1997). W.K. Al-Murrani, A. Kassab, H. Z. Al-Sam and A, Al-Athari. *Brit. Poult. Sci.*, Vol. 38, No. 2: 150-163, (1997).\*
57. Technical and Economic Evaluation for the Use of A. I. versus Embryo Transfer in Cattle. W.K. Al-Murrani, *J. of Agric. Develop in Arab World*, Vol. 3: 33-39, (1995).
58. The Best Policy for Animal Production. W.K. Al-Murrani. *J. of Agric. Develop in Arab World*. Vol. 4, No. 2:4-9 (1998).
59. The Neutrophil/ Lymphocyte Ratio as an Indicator and Selection Criterion for winter and Summer Stress in Sheep. W.K. Al-Murrani, A. H. Al-Dairi, A.R. Al-Rawi. *Iraqi J. of Agric.pp*: 133-143. (Proc. of the 3<sup>rd</sup> Sci. Conference on Agri. Res. 5-7 Feb. 2000).\*
60. The Adaptive significance of Hemoglobin types in different animal species. W.K. Al-Murrani. *Iraqi J. of Agric.* Vol. 5 No. 1:144-149 (2000)\*.
61. New Approach for the Calculation of the Cut-off Point (value) in Immunological and Diagnostic Tests. W.K. Al-Murrani, Amirah Al-Shummari, A. Al-Obaidi, A.M. Mustafa. *Iraqi J. of Microbiology*, Vol. 12 No. 1:1-9 (2000).\*
62. Heterophil/ Lymphocyte Ratio under High and Low Temperature as a Selection Criterion for Immune Response against Newcastle Antigen in Chickens. Kassab, A.K., H. H. Elaiwi, W.K. Al-Murrani. *IPA Journal of Agric. Res.*, Vol. 10 No. 2:184-187 (2000).\*
63. Changes in Leukocytic Counts in Resistant and Sensitive Groups of Chickens Selected on the Bases of the Heterophil/ Lymphocyte Ratio. Al-Murrani, W.K., Al-Rawi Ibtisam, K., and Raof Nidhal Mehdi. Presentation in the 4<sup>th</sup> Cong. for Iraqi J. Agric. Res. Vol. 7, No.:1 (2001).\*
64. The Inheritance and Distribution of Blood Potassium Level in Iraqi Awassi sheep. Al-Murrani, W.K. *Iraqi J. Vet. Med.* Vol. 25, No. 2:92-98 (2001) Journal.\*
65. Genetic Resistance to *Salmonella typhimurium* in two lines of Chickens on the Bases of Heterophil/ lymphocyte Ratio. Al-Murrani, W.K., Al-Rawi Ibtisam K., Nidhal Roaf Mehdi. *Brit. Poult. Sci.*, (2002), Vol. 43, No. 4 (501-507).\*
66. Grouping into Resistant and Sensitive on the Bases of the Heterophil/ Lymphocyte Ratio for Genetic and Immunological Studies. Al-Murrani, W.K., *Iraqi J. Biotech*, Vol.4, No.1:144-150 (2005).\*
67. Heterophil/ Lymphocyte Ratio during postnatal stage in Chickens Al-Murrani, W.K., Al-Azzawi, T.S., Al-Mosawi, and A.H. Presented for Pub., *British Poultry Science* (2005).
68. The Relation between N/L Ratio and some production parameters in Friesian bulls. Al-Rawi ,A.R., Al-Murrani , W.K. , Al-Hamdawi, A. *IPA J. Agric. Res.* , No. 1, Vol. 13, (2003).
69. The Relation between N/L Ratio and some production traits in sheep. Al-Rawi, A.R. , Al-Murrani, W.K., Al-Hamdawi, A. *IPA J. Agric. Res.* , No. 1, vol. 13 , (2003).
70. Animal Genetic Resources in Iraq. FAO study (2003), Al-Sherifi, Sawsan, Al-Murrani, W., Al-Kass, J., Al-Rawi, A.A.\*

71. Association between Heterophil/Lymphocyte ratio, a marker of “resistance” to stress, and some production and fitness traits in chickens. Al-Murrani, W.K., Al-Rawi, A.J., Al-Hadithi, M.F., and Al-Tikriti, B. *British Poultry Science*, Vol. 47, No. 4 (August 2006) pp. 443-448.\*
72. Problems of sampling in Epidemiological and disease surveillance studies. W. Al-Murrani. US Civilian Research and Development Foundation (CRDF) Seminar on: Infectious diseases, zoonosis and disease surveillance in Iraq. Jordan (16-20 July 2006). \*
73. The effect of feed restriction on some physiological traits in pure lines of chickens selected on the bases of Heterophil/Lymphocyte ratio. Al-Murrani W K and M. Al Hadithi (PhD thesis- supervision 2006).

#### **SUPERVISED DIPLOMA REVIEWS FOR THE YEARS: 2004-2005**

1. Genetic bases for disease resistance. 2004
2. Genetic bases for thalassemia. 2004
3. Genetic Bases for Cancer. 2005
4. Genetic bases for leukemia and sickle cell 2005
5. Gene therapy 2005

#### **ONGOING SUPERVISED POSTGRADUATE STUDIES**

- Association between salivary proline rich protein genes and dental caries (MSc, 2005).
- Genetic biodiversity of some mutations associated with G6PD among Iraqi patients and apparently normal groups and their effect on enzyme activity (PhD, 2005).
- Genetic biodiversity of some mutations associated with B-thalassemia among Iraq patients and apparently normal groups (PhD, 2005).
- The effect of feed restriction on Heterophil/Lymphocyte ratio of chickens selected as resistant and sensitive (PhD, 2005).

#### **THE ARAB AGRICULTURAL DICTIONARY**

**Published: The Arab Organization for Agricultural Development  
League of Arab States, Sudan  
(Produced in Arabic, English and French)**

##### **First Part: Plant Production:**

<b>Vol 1.</b>	<b>Plant production</b>	<b>1981</b>
<b>Vol 2.</b>	<b>Plant production</b>	<b>1982</b>
<b>Vol 3.</b>	<b>Soil</b>	<b>1982</b>
<b>Vol 4.</b>	<b>Plant and Horticulture Prod.</b>	<b>1983</b>
<b>Vol 5.</b>	<b>Forestry</b>	<b>1983</b>
<b>Vol 6.</b>	<b>Agric. Machinery</b>	<b>1984</b>
<b>Vol 7</b>	<b>Food Industries</b>	<b>1984</b>
<b>Vol 8.</b>	<b>Irrigation</b>	<b>1984</b>
<b>Vol 9.</b>	<b>Plant Production</b>	<b>1985</b>

##### **Second Part: Animal Production;**

<b>Vol 1.</b>	<b>Animal Production</b>	<b>1981</b>
<b>Vol 2.</b>	<b>Veterinary Medicine</b>	<b>1982</b>
<b>Vol 3.</b>	<b>Veterinary Medicine</b>	<b>1983</b>
<b>Vol 4.</b>	<b>Fisheries and Dairying</b>	<b>1985</b>

**Third Part: Agriculture Economics;**

<b>Vol 1.</b>	<b>Statistics</b>	<b>1982</b>
<b>Vol 2.</b>	<b>Agriculture Economics</b>	<b>1983</b>
<b>Vol 3.</b>	<b>Agriculture Extension And Statistics</b>	<b>1984</b>

**BOOKS AND STUDIES**

**(Author, co-author and translator)**

- 1. Animal byproducts trade directory. Published: Animal Byproducts Trade Organization, Ministry of Trade, Iraq (1961, author).**
- 2. Animal Management. Published: University of Baghdad (1980, Co-author).**
- 3. Introduction to Genetics. Published: University of Baghdad (1981, author and translator).**
- 4. Arab Food Security. Published: Arab Organization for Agricultural Development (AOAD), League of Arab States. (1982, co-author).**
- 5. Arab Agriculture Dictionary (16 volumes). Published: AOAD (co-author, 1982-1984).**
- 6. Cattle Breeds in Arab Region. Published AOAD (co-author, 1983).**
- 7. Introduction to Statistics. Published: University of Baghdad (co-author, 1986).**
- 8. Cattle Production in Somalia. Published: AOAD (co-author, 1984).**
- 9. Agriculture Research in Iraq. Published: ISNAR (Team leader, 1991).**
- 10. Biopathology. Published: University of Baghdad (co-translator, 1990).**
- 11. FAO Agricultural Thesaurus. Published FAO, UN (co-translator, 1990).**
- 12. Manual for Animal Production in Small Farms. Published: FAO, Iraq (author, 1995).**
